

Things to Do Today

Start your day with the INVOCATION
(Watch, Listen OR Read it to yourself)

Today I invite the Divine Wisdom to fill my heart and my mind
with light energy and intuitive power.

I am open to miracles. I am ready to follow the Angelic
Guidance. Whatever comes my way is a blessing.

I am open to receive it.

I will pay attention. I will clear my mind and my body of old
karmic energy, limiting beliefs, worries, and fears.

I am connected to my Higher Self, Angels, and Spirit Teachers. I
am a channel of powerful psychic insights and visions.

I am protected and energized by the Divine Grace of my Spirit.

Amen

Today's Prosperity Wisdom

RESISTANCE.

There is a powerful force in the Universe called RESISTANCE. Other names for resistance are procrastination, self-sabotage, criticism, overindulgence, excuses, putting things off, laziness, sometimes even illness. It's the force that doesn't want you to succeed. It wants to keep you as inactive as possible. Just think of how many things you left unfinished this year. How many books did you start reading but never finished? Perhaps you wanted to upgrade your skills to get a better paying job, or work out daily, or write a book. Or simply be happier in life? Why did you stop? Why did you quit? Why you never started in the first place? The answer is: resistance got you. Resistance is real. It shows up EVERY TIME it "smells" your unwavering enthusiasm, and comes to destroy it. There is only one way to overcome resistance. It's to do the work. It's to follow your dreams with a full heart, take consistent action and make marginal self-improvements every day.
